Dear Parent/Carer

RE: BIKE PROJECT

I am writing to you regarding our exciting new bike project which is starting next Tuesday at Cleeve Meadow.

Students will be offered the chance to work alongside a qualified teacher who is also a bike mechanic to learn how to repair a bike, order parts and complete refurbishments. They will also learn about careers in bicycle repairs. This will run during the school day.

All students will have the chance to take part in this project throughout the year. We will be starting the project with groups of four and this will be on a rota basis to ensure every student gets an opportunity to take part.

If your child is interested in taking part in the project, please complete the reply slip below.

Yours sincerely

Juliet Morris
Head of School

My child would/would not* like to take part in the bike project.
