

**Parents' information
for the start of Year 7
2021/2022**

Cleeve
Meadow
School

Our Vision is:

Providing an excellent holistic education, building knowledge, skills of communication and skills for life. Carving pathways to the future through learning and life opportunities

Our Core Purpose is:

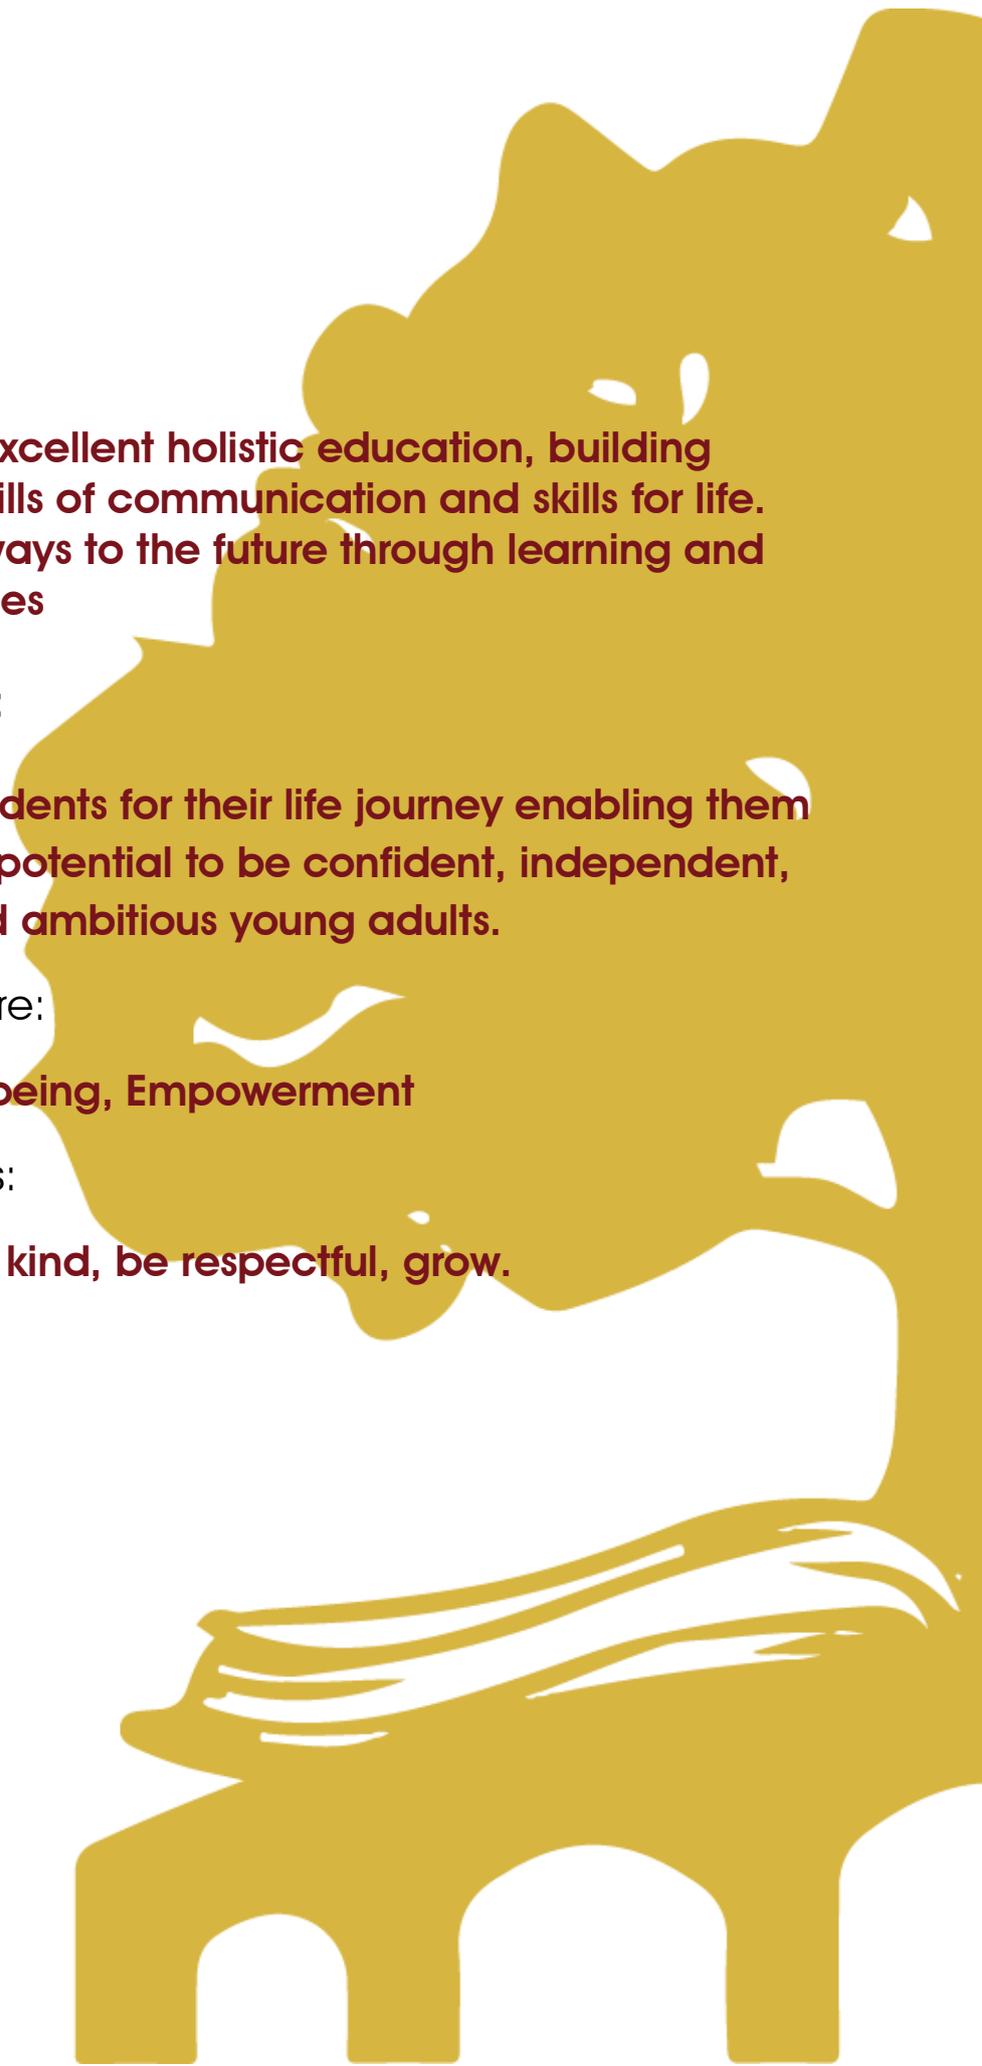

To prepare students for their life journey enabling them to reach their potential to be confident, independent, thoughtful and ambitious young adults.

Our school values are:

Positivity, Wellbeing, Empowerment

Our Moral Purpose is:

Work hard, be kind, be respectful, grow.

Welcome

The purpose of this booklet is to help your child become a successful part of our school community. We hope you will find this helpful.

If you need any other information, please do not hesitate to contact us on 0208 269 6523 or alternatively via email enquiries@cleevemeadow-tkat.org.

Home School Agreement

The school will:

- Provide a balanced curriculum and meet the individual needs of your child.
- Contact parents if there is a problem with attendance and punctuality.
- Inform parents about concerns or problems that affect their child's work or behaviour.
- Set, mark and monitor homework and provide facilities for children to do homework in school.
- Arrange Parents' Evenings, during which progress will be discussed.
- Send home reports and information as appropriate.

Parents/carers will:

- See that their child attends school regularly, in uniform, on time and is properly equipped.
- Let the school know promptly about any non-attendance, concerns or problems that might affect their child's work or behaviour.
- Support the school's policies and guidelines for behaviour including attendance at detentions.
- Support the school's homework policy.
- Ensure their child reads, understands and follows the policy on IT use (on the website)
- Attend Parents Evening discussions about their child's progress
- Understand and follow official Police guidance on physical chastisement of their children:
 - Schools have a responsibility under section 175 of the Education Act 2002 to safeguard and promote the welfare of children both in and out of school.
 - **As a parent/carer, I understand that I am responsible for disciplining my children, or those under my care, when they are not in school. I fully understand and am aware that the use of physical force in disciplining them may be illegal in certain circumstances. This may include where an implement has been used or where that force has resulted in visible injury and the use of prolonged stress positions (this is where children are placed in a position of discomfort for a long period of time). I understand that in such circumstances the school has a statutory duty to report such incidents to Children's Social Care and that the Police may be asked to investigate. For more information, please see the Safeguarding and Child Protection Policy on the school's website.**

The student will:

- Attend school regularly and be punctual.
- Bring all the equipment needed every day.
- Wear correct full uniform in school, and on the way to and from school.(unless individual arrangements are required)
- Do all classwork and homework to the best of their ability.
- Read and follow the policy on acceptable IT use at all times.
- Be polite, helpful and behave appropriately at all times.
- Never damage, graffiti or litter the site.
- Ensure that their behaviour promotes a positive learning environment where all can achieve excellent progress.

Attendance

Excellent attendance is vital for all our students and so we expect them to have at least 95% attendance. If attendance falls below 94% action from the school's education and attendance service will be initiated to support attendance.

If your child is absent **you must**:

- Contact us as soon as possible on the first day of absence before 09:00 and every day of absence thereafter.
- Send a note in on the first day they return with an explanation of the absence – you must do this even if you have already telephoned us.
- Or, you can call into school and report to reception.

If your child is absent **we will**:

- Telephone or text you on the first day of absence if we have not heard from you.
- Invite you in to discuss the situation with our class teachers and Deputy Head Teacher if absence becomes an issue.
- Take more serious action if your child's attendance trend is declining.

Punctuality

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons, can be embarrassing for the child and can also encourage absence.

How we manage lateness:

The school day starts at 8:45 and we expect your child to be in class at that time. Registers are marked at 8:50 and your child will receive a late mark if they are not in by that time.

If your child has a persistent late record you will be asked to meet our class teachers and Deputy Head Teacher to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time for support.

Holidays in Term Time

Taking holidays in term time will affect your child's schooling as much as any other absence and we do not authorise absence for holidays during term time. Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education.

There is **no** automatic entitlement in law to time off in school time to go on holiday.

Any applications for leave must be made in advance in writing to the Head of School. We will not authorise any absences during term time unless in genuinely extreme circumstances. Each application for absence will be reviewed on an individual basis.

Medical Appointments and Signing Out

Medical and dental appointments should be arranged outside school hours unless it is an absolute emergency. If a student has to leave school during the day for any reason then a note should be brought from parents/carers in advance of the date.

Students must sign out at the school office. If they return to school later on the same day then they must sign in again at the school office.

Illness

If your child is ill and remains at home please telephone the school on the first day of absence before 8:45 am. The number is 020 8269 6523. On your child's return they must bring a letter covering the absence which should be given into the school office.

There are occasions when a child is taken ill, or has an accident during the school day; it is extremely important that we have two up to date phone numbers where parents or known contacts can be contacted at any time. Distress can be caused when we cannot contact parents or carers; if it is a serious incident requiring hospital treatment this cannot be initiated without parental/carer consent other than in life threatening circumstances.

Contact Book

This is a useful tool which records homework and is used as an effective vehicle for communication between yourselves and our staff. Please look at it daily and sign it weekly. If you put a message in for a teacher do check to make sure your child has brought it to the teacher's attention. All our pupils need to bring this into school every day.

Equipment

It is really important that our students come to school fully equipped, so they will need:

2-3 working pens	Pencils	Tube of Pritt Stick style glue
Rubber	Ruler	Dictionary
Calculator	Sharpener	Coloured pencils

It is a really good idea if you encourage your son or daughter to pack their bags the night before. A reading book and a PE kit also form part of the equipment required weekly.

Students are sometimes asked to bring specific ingredients when they study Food Technology. This will be explained in class when required.

Extra-curricular Clubs, Trips and Activities

We pride ourselves on the full range of opportunities beyond the classroom that are available to our students. These vary every year but include swimming, PE activities, visits to the local shops and library, music events, sign language, arts clubs and visits further afield.

Homework

Homework can take many forms including reading, learning new words and spellings, practicing times tables, completing surveys and project work.

We understand that homework can be a difficult issue for many students who attend our school. We therefore take a flexible approach to the setting and monitoring of homework.

We believe that practicing vocabulary, spellings, times tables and sums can be a very useful method for consolidating student learning and so will set these tasks a maximum of 4 times a week.

Teachers will not send students home with complicated and extended tasks for students to complete which can cause tension and conflict at home.

The support of parents and carers has a marked impact on students consistency and rate of learning, we value the time you are able to offer to your child at home to support them with their learning.

Library

During their time at Cleeve Meadow School your child will visit the school library for many different reasons. In Years 7 and 8 students take part in the Accelerated Reader scheme which encourages a love of reading and offers a range of rewards in the form of prizes and House Points. There is a Homework Club twice a week at lunchtime for students who are struggling to complete homework at home.

Lost Property

Lost property is stored in the school office. Please can you ensure that all items are clearly marked with the owner's name.

Insurance - Please note that the school carries no insurance for the loss, theft or damage of personal property and that we can accept no responsibility for pupils' personal property. Any items pupils bring are entirely at their own risk.

Lunchtime Arrangements

In the temporary accommodation at lunchtime the students will use the Cleeve Meadow cafeteria at 12:20. They will then have access to an outside play area and courtyard in which to relax. Students will be able to

- purchase a lunch using our cashless catering system - cafeteria style
- eat a packed lunch in the canteen – or picnic outside in better weather

Students are not allowed to leave the school site.

Free School Meals

If your child is entitled to free school meals you will need to register using the LGFL application service online at <https://pps.lgfl.org.uk/> and follow the instructions for a New Application.

You will need to apply even if your child is currently receiving free school meals at their current school as this will not automatically transfer over. If your application is successful, please provide a copy of the eligibility certificate and your child's details will be updated on their Wisepay Account. Additional funds can be added by parent/carers to the child's Wisepay account if required.

School Meals

The school meal allowance is £2.27 per day and will provide a meal deal which consists of a main meal (hot or cold), drink and sweet. Menus will be provided at the start of each new term. A spending cap can be placed on the child's account if required ie maximum spend £2.50 per day.

If you require assistance with your application, please contact the school office on 020 8269 6523. A copy of our current menus are attached.

WisePay – “cashless system”

Cleeve Meadow is a “cashless” school and ALL payments for trips, activities and additional learning resources/materials are made online using your WisePay account.

ALL purchases from the canteen are made using our Biometric System. Student funds are added via a parental WisePay account (or by using the onsite revaluator) and full details of items purchased are available by logging into your WisePay account. Parents will be provided with details on how to log in to WisePay.

If you have any questions regarding this please email cashless@cleevepark-tkat.org.

Medicines

In line with recommended practice as a school we are unable to administer medication to students which have not been prescribed for a named student by a doctor.

If your child has a short term illness please ask the doctor if any medication prescribed can, where possible, be such that medication is not required during school hours. For those pupils where prescribed medication is to be taken during school hours it must be brought in the original packaging with the pupil's name, address and date of birth on the label. This should be brought to the school office for storage. You will be required to complete an authorisation form and liaise with the First Aider dispensing the medication. Please consult the school office for further guidance. Please ensure that at the end of the course of medication any unused medication is collected.

We are not able to keep any general purpose medication such as paracetamol unless these are prescribed by your GP and are in the original packaging with the pharmacist's label. If your child has any medical needs, which the school should be aware of, please provide us with details as soon as possible.

It is essential for the wellbeing of all of our pupils that you report any cases of measles, chickenpox and shingles urgently when reporting absence to our attendance officer.

For more information, please see our 'Supporting Students at School with Medical Needs' policy via the school website.

Covid-19

If your child develops symptoms of COVID-19, they must not come to school and should remain at home for at least 10 days from the date when their symptoms appeared. Anyone with symptoms will be eligible for a PCR test (the normal available test type) and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119. All other household members who remain well, must stay at home and not leave the house for 10 days. This includes anyone in your 'Support Bubble'. Further information is available at:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

This guidance is subject to change resulting from Government policy change.

Mobile Telephones and Electronic Devices

Please note that students may not use a personal mobile phone, iPod/iPad, MP3 player or similar mobile entertainment device, anywhere on the school site or have a mobile or similar visible audio device at school during the school day. The reasons are as follows:

- Mobile phones are an intrusive distraction when used in lessons or if they go off by accident.
- Staff need to focus on teaching & learning, not distracting conversations about mobile phones
- Students need to speak to staff regarding any issue before contacting parents otherwise this will cause you unnecessary stress
- The use of mobile phones for cyber bullying, intimidation and unauthorised photography is a safeguarding issue nationally and one which we wish to avoid at school.

We are therefore strongly of the view that students should not bring a mobile to school. If you want your child to have a phone on the journey to and from school, there is an opportunity for such device to be placed in a clear plastic bag with the student's name clearly marked on the bag and hand it into the school office before school begins and to be collected at the end of the day.

If a student is found to have a mobile phone in lessons they will have it confiscated and the parent/carer will be contacted.

Please note that in light of this rule the school will not accept responsibility for loss, theft or damage to a mobile phone brought to school and will not investigate any such loss, theft or damage should it occur.

School Hours

The school day begins at 8:45 with registration. Students should be on the site by 8:45 am to ensure a punctual start.

The school day is as follows:

8:45- 9:15	Tutor/ Assembly/ Wellbeing
9:15 - 10:00	P1
10:00- 11:00	P2
11:00- 11:20	Break
11:20 12:10	P3
12:10- 1:00	Lunch
1:00- 2:00	P4
2:00- 2:30	P5
2:30 – 2:45	Tutor time and reflection

Baloo

Hello everyone!

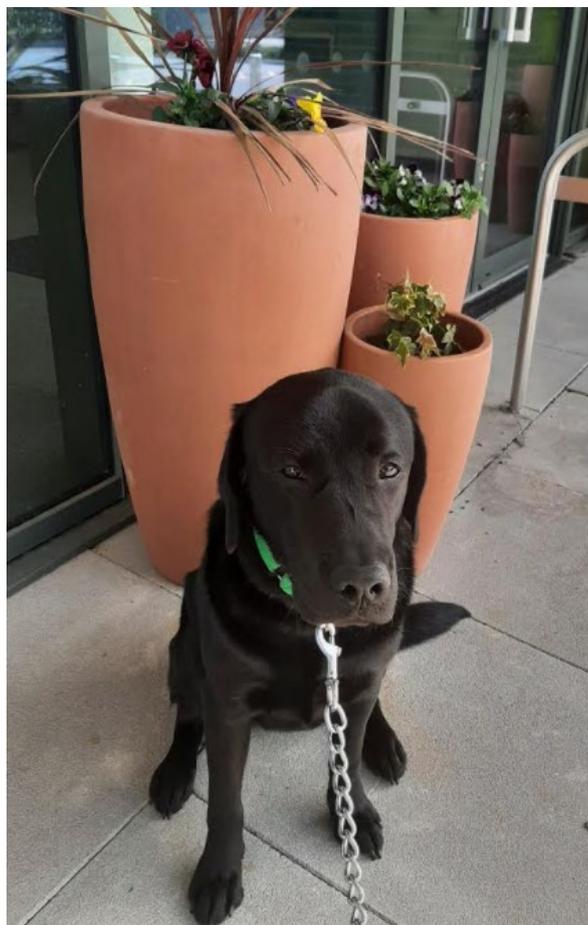

My name is Baloo and I am the one and only Cleve Meadow school dog (and not to boast, but I am also everyone's favourite member of staff!).

I am 16 months old and have been coming into school since I was a puppy. I have lots of jobs around the school, including helping students settle into classes, listening to students read, supporting students who are feeling a little worried or anxious.

Students also take it in turns to join a dog mentor session every morning, where they get to teach me tricks and feed me treats (working in a school is hungry work, so the more treats the better)! Some students were a little nervous of me at first, but once they got to know me and found out how calm and gentle I am, all of

them now love me and they can't wait to come and see me every day. When I am not in school, I live with Mrs Nobbs and her family, and my (very!) big brother, Hugo, who is a Great Dane.

I am very excited that you are coming to join Cleeve Meadow and I can't wait to meet you!
From Baloo

About Baloo and the Dog Mentoring programme.

Dog Mentor Association.

Baloo was trained through the Dog mentor organisation, and they have trained dogs across the country to become school dogs.

The aim of the Dog Mentor Organisation is to train owners on how to use school dogs to engage and interact with students in a variety of ways and to use dogs as a tool to enable students to develop emotional understanding and resilience.

At Cleeve Meadow we run Dog mentor groups with small groups of students. The students meet with Baloo and a member of staff and work through a booklet designed to help them understand different emotions they may feel, and strategies they can use to help them if they are feeling anxious or angry for example.

Baloo has a variety of roles as our school dog. If a student is anxious about coming into school, Baloo is taken to meet them and the student can spend a few minutes with him, before helping a member of staff to bring him back to class. Baloo appears to give them the confidence to come into school and takes their mind of their anxiety.

Baloo attends classes, and can be used to sit next to students who are struggling to settle. The students are able to pet him, and this allows them to ground themselves and settle, ready to learn. He also loves to lay with children and “listen” to them read. This is very beneficial to students who lack confidence and are reluctant to read to an adult. Baloo will just lay and listen attentively – meaning the student doesn’t feel like they are being judged on their reading.

He has also taken part in PE lessons, with students leading him on an agility course.

His most important role has been in supporting students who are finding themselves having a challenging day, or who are upset. In these circumstances, Baloo is taken to the student, and will either sit with them, while they stroke or groom him, which helps them calm, or he will play with them in our courtyard area. Within a few minutes of spending time with Baloo, the students have settled and this then enables a member of staff to sit and discuss the situation with the student to help support them further.

Baloo loves his role as the school dog and the students (and staff!) adore him!

TRAVELLING TO SCHOOL

Parking

There will be no on-site parking for parents when dropping and collecting their children. You will need to park outside of the school and walk your child to the pedestrian gate and wait for a member of staff to collect your child. We request that parents stay outside of the school grounds when dropping their children. This is for the health and safety of everyone as buses will be coming in to the school grounds to drop off students.

The only exception to this is for disabled badge holders. Proof of the badge is required.

Oyster Cards

11-15 Zip Oyster Cards can be purchased for a £15 administration fee at the Post Office or online at www.tfl.gov.uk if your child lives in a London borough and has a machine-readable passport number. Visit the Transport for London website for full details.

Road Safety

Bexley Lane is a major through route and there is heavy traffic at the end of the school day as well as in the mornings; please remind your son/daughter to act responsibly on Bexley Lane and other roads on their journeys to and from school.

We would be grateful if parents would NOT park in the front of the school on the bus stop or the zig zag markings – this is against traffic laws.

Bexley Local Authority Transport

These arrangements are made on an individual basis with Bexley Integrated Transport Unit (BITU). If you require support with your application please contact Lee Perry on 020 3045 4468 or lee.perry@bexley.gov.uk

Please note: Students will only be able to board the transport if an agreement has been arranged through the BITU.

School Term Dates 2021-2022

Autumn Term	Friday 27 th August 2021 – Year 7 Only Tuesday 31 st August 2021 – Friday 22 nd October 2021

Accessibility Policy	Equality Policy	TKAT Data Retention Policy
Admissions Policy	First Aid Policy	TKAT Data Protection Policy
Anti-Bullying Policy	Governor Principles of Behaviour Policy	TKAT Health and Safety Policy
Attendance Policy Changes to the Regulations governing holidays in term time	Intimate Care Policy	TKAT Safeguarding & Child Protection Policy
Behaviour Policy	Modern Slavery Statement	TKAT Whistleblowing Policy

Careers Education, Information, Advice and Guidance Strategy Policy	Online Policy
Children Looked After Policy	Physical Intervention Policy
Cleeve Meadow Medical Needs	Provider Access Statement Policy
Cleeve Meadow School Wellbeing Policy	Prevent Policy
Code of Conduct Policy	Relationship and Sex Education Policy
Communication with Parents Policy	School Uniform Policy
Complaints Policy	SEN Information Report
Education Visits Policy	Special Educational Needs Policy
Emergency Closure Policy	Substance Misuse Policy

School Uniform

At Cleeve Meadow School we expect our students to take pride in their appearance; we place great emphasis on how our students present themselves.

The governing body and staff of Cleeve Meadow School fully support a formal uniform policy to:

Create an environment of equality

Build a culture of positive self-esteem and confidence

Encourage a sense of belonging to our school community

Promote our mission statement of commitment, pride and success

Prepare students for the world of work

Prepare students for the world of work

Students are expected to wear the correct school uniform as shown below:

Uniform (Supplied by Casey's)

Blazer	Burgundy school blazer – supplied by Casey's uniform suppliers.
Pullover	Long sleeved 'V' neck burgundy pullover with school scroll or burgundy long sleeve buttoned cardigan (both optional)
Skirt	Grey box pleat (supplied by Casey's or alternative shops)
Trousers	Plain charcoal or black suit style trousers – jeans or chinos are not acceptable.***
Blouse/Shirt	White blouse with a reverse collar White shirt with long or short sleeves.***
Shoes	Plain black leather or imitation leather type shoes are required. Boot style shoes may be no higher than ankle length. No coloured peripherals, if laced, black laces. Canvas or other materials not permitted, Cleeve Meadow School has a zero tolerance to trainers of any kind being worn with the school uniform without an official medical letter (see guide below for acceptable footwear).
Socks/Tights	Plain white, black or grey socks or tights.
Boys Tie	Burgundy tie with school crest ***
Outdoor Wear	Students should have a warm coat (preferably dark in colour and waterproof). Casual leisure wear is not regarded as suitable for school. Sweatshirts or hoodies of any description (including the PE sweatshirt) do not qualify as outdoor wear and are not acceptable. Light decorative scarves are not permitted.
Jewellery	No jewellery whatsoever, including ear studs and other ear piercings, students are not permitted to wear jewellery in any part of their face. Students may wear a sensible wrist watch but no rings or bracelets.
Hair	Hairstyles must meet with the standards of smartness and restraint expected in a school. We do not permit the following hairstyles: <ul style="list-style-type: none">• Clipped hair below a *2• Hair dyed with bright un-natural colours• Shapes and wording etched into hair Simple, plain burgundy hairband, grip or "Scrunchy"- no other coloured decorative hair adornments.
Cosmetic	No face make-up, nail varnish, acrylic nails, false eyelashes, heavy fake tan. Pupils will be ordered to remove it and receive a sanction in line with 'UPBEAT behaviour policy' *** <i>The staff and Governors of Cleeve Meadow School fully supports students who are gender neutral and welcome them to be free to wear any part of the uniform they wish.</i>

Compulsory PE kit (Supplied by Casey's)

Crested maroon PE t shirt (Free surname embroidered)

Crested black shorts

Crested black tracksuit

Nike sports socks

Football boots and shin pads

Gym shoes/trainers (own preference as long as they are suitable for purpose)

Crested Outdoor Top

Crested Outdoor Top

Crested Sports Shorts

Crested Jogging Bottoms

Advised and Unadvised

Acceptable

Not advised

Please note the above is for guidance only , the images are not exhaustive.

We recognise that flexibility with footwear may be required for some students

Parental role

The vast majority of our parents fully support our school uniform policy. It is part of the terms and conditions that we enter into when your child joins our school.

We ask that parents are especially vigilant about:

- Piercings
- Jewellery
- School bags
- School shoes
- Make-up
- Fake tan
- False nails

If you are in any doubt about whether an item or uniform choice is acceptable **PLEASE CONTACT THE SCHOOL** before you make a purchase and ensure you receive a definitive answer from a member of the senior leadership team.

Unwanted Uniform

Staff at Cleeve Meadow School are extremely grateful to parents/carers who donate good quality second hand uniform to the school. All enquiries should be made by contacting the School Office on 0208 269 6523.
